

The After School Arts Program (ASAP) offers students, ages 7-17, residing within the Reading School District and beyond, the opportunity to explore, experiment, and develop their creativity through hands-on, collaborative projects at no cost to their families.

Taught by professional artists and educators within the safe, dynamic studio environments at GoggleWorks, ASAP runs three terms per year (fall, winter, and spring), Monday through Thursday from 3:30-5:30pm. Students can choose to attend one or more classes per week offered in their respective age bracket.

At the conclusion of each term, ASAP students are encouraged invite their family and friends to GoggleWorks for Family Arts Night—an evening showcasing the students' completed work.

Please be aware that this is an application and that there is no guarantee that you will get your first choices. Rest assured that we strive to serve our community the best we can.
