

SCHOLARSHIP PROGRAM

At GoggleWorks Center for the Arts, we believe that everyone should have the opportunity to pursue their creative interests, whatever their financial means. Our scholarship program provides a gateway to high-quality learning experiences for those ages 7 and up looking to explore processes of making and hone their artistic skills within a professional studio environment.

NEED-BASED 100% off tuition

The need-based scholarship waives course/workshop tuition for applicants demonstrating a financial hardship. Recipients will be responsible for any applicable material/supply fees.

MERIT-BASED 50% off tuition

The merit-based scholarship will reduce course/workshop tuition by 50% for applicants demonstrating artistic potential and desire to further their creative pursuits. Recipients will be responsible for any applicable material/supply fees.

At GoggleWorks Center for the Arts, we believe that everyone should have the opportunity to pursue their creative interests, whatever their financial means. Our scholarship program provides a gateway to high-quality learning experiences for those ages 7 and up looking to explore processes of making and hone their artistic skills within a professional studio environment.

Artistic Merit-Based Scholarships

GoggleWorks' artistic merit-based scholarships waive 50% tuition for students, ages 7 and up, looking to further their education in art, in the class/workshop of their choice. Scholarship awards are offered on a rolling basis and may be used towards any class or workshop offered during each of our terms (Maker Dates excluded). Awards are based on enrollment availability of the class or workshop of the recipients' choice. Each scholarship applicant is evaluated based on a demonstrated personal interest in furthering their relationship with the arts.

General Guidelines

- Applications are valid only for the term/courses indicated. Students must complete a new application to be considered for scholarship awards in subsequent terms.
- Scholarships are awarded on a first-come, first-served basis and depend on the enrollment.
- Award recipients will be notified, by email or phone, within one week prior to the class or workshop start date.
- Award recipients are still responsible for any applicable material/supply fees associated with the class or workshop of their choice.
- Incomplete applications will not be eligible for consideration.
- Applicants not awarded a scholarship may still enroll in a class, based on space availability, by submitting tuition payment on or before the class or workshop start date.
